Arnold Beach: 37 Years

Loon Lake: 40+ Years

Wife: Carol Evavold

Career:

**Principal and Art
Teacher at Harrington
and Mukilteo**

Jon Evavold of Arnold Beach began expressing his artistic talent as a young boy by drawing comic books. His Mom was his first fan and collector of these "funny" books. Jon's school in Odessa did not have art classes so he took private lessons from the English teacher. Jon went on to minor in art at Gonzaga and had the privilege of studying art in Florence, Italy for one year. He returned home to join the military. Thank you for your service, Jon. He then established an art program in Harrington where he taught all forms of art including macramé, painting, wood carving, sculpting, photography, and pottery. Jon has continued to be a prolific artist in many formats including a large totem pole that stands in the middle of Mukilteo where he was a school principal. Jon's art presented throughout this newsletter is all of Loon Lake subjects. - Deanne Darlene Impecovern

Loon Lake Property Owners Association

PRESIDENT'S LETTER**ALL ABOARD!!!**

By Deanne Darlene Impehoven

There are many nautical terms that can be used to describe our experience in 2020 and the **course** we can set for 2021 at Loon Lake. 2020 in many ways represented an **anchor** holding our community **dead in the water** and **becalmed**. Well, Loon Lake is a wonderfully **seaworthy** community! So, **ALL ABOARD!** Let's get this **vessel underway heading windward** at **flank** speed and hold **fast!** Let us **go like the clappers!**

The **sea** we are **sailing** is Loon Lake. And, the **fleet of ships** sailing that sea consists of volunteer organizations including the Loon Lake Property Owners Association. Every single resident in this community is the **captain** of this ship. Every single resident in this community is the **mate** of this ship. Every single resident in this community is the **seaman** on this ship. Every single resident is a **rudder** and their participation is critical in **mapping** a **chart** and creating a **logbook**

by which to gain our **bearing** and **steer** this ship with optimal **headway**. **ALL ABOARD!!!**

What you can do to set sail:

- ◆ Become an LLPOA member. Residents/Businesses
- ◆ Become a Board Member
- ◆ Join an LLPOA Committee
- ◆ Submit updated information including names, addresses, email, & phone to help keep you informed
- ◆ Submit your ideas on how the LLPOA can best serve the community. Members should be an integral part

2021 LOON LAKE PROPERTY OWNERS ASSOCIATION GOALS

Thank you to all of the hard working people that volunteer themselves to make these goals a reality.

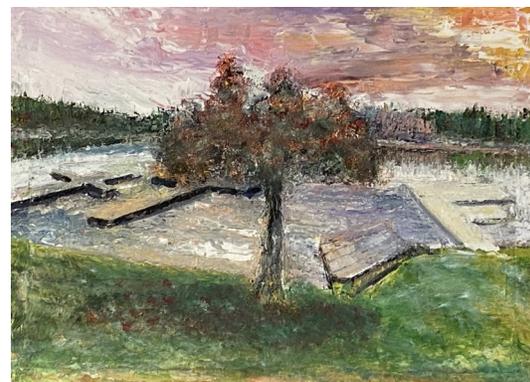

- ◆ **Increase Membership** to include every resident and business in the Loon Lake community
- ◆ **Coordinate Spring & Fall Chipper Days** to take place on June 5 and October 16
- ◆ **Coordinate Fireworks Fundraiser** to take place on June 5
- ◆ **Coordinate Dock Demolition Day** to take place on June 26
- ◆ **Coordinate Fireworks Show** to take place on July 3
- ◆ **Coordinate Boat Parade** to take place on July 4
- ◆ **Coordinate Lake Education Course** to take place on June 19
- ◆ **Coordinate Pancake Feed** to take place on September 5
- ◆ **Create and Distribute Newsletter** in Spring and Fall
- ◆ **Perform Water Quality Testing** at least one time during the year
- ◆ **Answer New & Current Resident Inquiries** about moving to Loon Lake and living at Loon Lake
- ◆ **Implement Fundraiser of Local Artist's Works**—Watch for the first piece to be bid on soon!
- ◆ **Implement the LLPOA Quick Guide**—A one page directory of local associations and sponsors

LOON LAKE PROPERTY OWNERS ASSOCIATION COMMITTEES

The Loon Lake Property Owners Association is a committee based Board. There are many interesting categories that the community can get involved with. Please let me know if you would like to assist with any of the following committees that could use your help:

- ◆ Boat Parade
- ◆ Chipper Days
- ◆ Dock Demo
- ◆ Fireworks
- ◆ Lake Education
- ◆ Membership
- ◆ Newsletter (Folding/Mailing)
- ◆ Pancake Feed
- ◆ Water Quality Testing

If you would like to recommend an addition to this list of activities, please let me know.

CHIPPER DAYS

By Lee Evans

Loon Lake & Deer Lake Property Owners Associations will host 2 Chipper Day events this year. The program is organized by Stevens County Solid Waste Department and provides an employee who operates a front-end loader to routinely clear and stack the debris allowing the trucks and trailers unlimited access to the lot with no waiting.

Social Distancing rules will be enforced. All participants will be required to unload their own truck

or trailer per Stevens County request.

**DATES: Saturday, June 5
Saturday, October 16**

**TIME: 9 AM to 3 PM
No early arrivals**

**PLACE: Agar Road North of
Baldwin Lumber**

**FEES: \$10 / Truck or Trailer / load
\$20 / Truck & Trailer combined / load
\$30 / Larger dump or flatbed trucks / load**

LOON LAKE LAKE MANAGEMENT DISTRICT 2021

By Lee Evans, Chairman Loon Lake LMD

The Lake Management District (LMD) advisory board meets monthly. Our directive from Stevens County is to investigate, survey, and offer the county commissioners options for controlling the non-native invasive aquatic plants in Loon Lake. The LMD meetings are open to the public and we welcome input from the Loon Lake community. Your contributions are essential in how we conduct our seasonal activities.

The 2021 season started in April with a board meeting of advisory

members, Wes McCart, our county commissioner, and our current vendor, Aquatechnex. The review of the post treatment inspection for the 2020 application for our hybrid milfoil was thought to be highly successful in the treatment areas.

In May, the board members and Aquatechnex will be on the lake to survey and reinspect the areas treated last year. We will also plan the 2021 milfoil season with an additional focus on a second invasive plant we have noticed the

LOON LAKE PROPERTY OWNERS ASSOCIATION FIREWORKS SHOW 2021

By Lee Evans

The LLPOA would like to thank those members who have made it a priority to donate to the annual LLPOA Fireworks show fund. Your donations have been needed and greatly appreciated. Unfortunately, the donations we receive now are not keeping up with the expense of the show. In the first several years of our Fireworks program, the LLPOA board of directors agreed the show needed to be self-funding. Our show budget at that time was \$5,000 which was easily met with member contributions. As expectations and expenses continue to rise, the cost is now \$8,000 of which less than half is funded through member donations. The LLPOA board is not willing to make up this difference through the general fund at the expense of other LLPOA programs. The consideration by the board to increase the annual membership dues will help our

current situation however the long-term solution is for our Fireworks show to pay for itself. It is clear the July Fireworks program is the most anticipated and popular event sponsored by the Loon Lake Property Owners Association. Every business or beach association who enjoys and possibly profits from our fireworks program should join in the funding process. To keep this program an annual event, we need the help and support of all who enjoy watching it. The LLPOA would like to request all members and fellow Loon Lake property owners to consider donating to the fireworks fund. An average donation of \$25.00 from 350+ members would easily pay for this event. Any donation as well as corporate/ business sponsorships would be greatly appreciated. For more information feel free to contact Lee Evans at 509-688-7304. Checks

Clean green only. No lumber or trash will be allowed.

Additional Chipper Day event reminders will be publicized through local media outlets as well as the Loon Lake Times www.loonlaketimes.com and Loon Lake/Deer Lake Nextdoor. Keep up to date with all lake events and activities on their web sites at Deer Lake www.dlpoa.com and Loon Lake www.loonlakepoa.org.

last several years called Curley Leaf Pond Weed (CL).

CL and milfoil require different treatment options with different growing seasons. Our efforts this season will be to survey both invasive plants and develop a treatment plan to submit to Stevens County for their approval.

LMD MEETINGS:

**DATES: 2nd Monday
April — October**

TIME: 6:30 PM

**PLACE: Old School House
4000 Colville Road**

can be made out to LLPOA and mailed to LLPOA, PO Box 165, Loon Lake, WA 99148.

The Loon Lake Nextdoor, www.loonlaketimes.com, and www.loonlakepoa.org will have the latest updates as they happen. We are always on the search for other lake residents willing to provide a dock and host the set up. If you are interested in providing your dock and or beach front, please let us know.

Local cancellation of the Fireworks show is always possible as July weather conditions are sometimes unpredictable. Final decisions rest with Fire District 1 Fire Chief Bucy in this matter.

Fireworks Show:

DATE: Saturday, July 3, 2021

TIME: 10:00 pm

We need your support. Please send your donations with the dues envelope.

LOON LAKE DOCK DEMOLITION 2021*By Lee Evans*

The Loon Lake “Dock Demolition” has been an important activity that the Loon Lake Property Owners Association has provided for over thirty years. Conditions for its operation have changed dramatically over the years as burning is no longer allowed. As a result, we must now pay for disposal of all materials.

We have had problems in the past with docks being dropped off in advance with no identity of ownership. Therefore, the owners are not paying the disposal fee which creates a financial hardship on the LLPOA. To address these challenges, we are proposing that you register your dock for the demolition to help us in our planning process. The disposal fee will be \$4 per foot of the dock if

you deliver it to the work area (On Demo Day). We would also offer to pick docks up at your property for an additional charge of \$50 per dock. Payment must be made at the time of pickup.

Removing the old docks from the lake has been a priority for the LLPOA for many years with scores of volunteers helping with this process. Thank you in advance for your help in getting this important activity back on track. Please contact any board member or visit the loonlakepoa.org for more information. Again, remember we will have volunteers available to transport your old dock to the demo site if you are unable to do so.

Thanks to Mark Whittaker, the Dock Demolition Chairperson.

Mark has overseen this important program for the last several years. Volunteers are always needed for this activity. If you have been a member of the crew in the past, Thank You!, and please consider volunteering again this year or for your first time.

If you have a dock to remove from the lake or wish to volunteer, please contact Mark Whittaker at 509-954-5048 or Email: markw@mawcpa.com or on becoming a co-chair.

LOON LAKE BOAT PARADE 2021*By Mark Whittaker*

We are planning on reinstating the boat parade as part of the 4th of July celebration. We always look forward to having you show up and go all out with “patriotic floats”. This year we have selected a Theme which is a medical worker’s appreciation. Wear your favorite MASH outfits or improvise. The grand prize winner will be selected for the group who best adopts this theme with remaining prizes based upon judge’s opinions.

Registration is free and the prizes are provided by the LLPOA as a reward for sharing your hard work and creativity. Registration will open at 12:30pm in Cedar Beau Bay at the south end of the lake. The judges will be there in a pontoon boat anchored in the cove with a banner stating “REGISTER HERE”. Every year there are a number of winners who did not register so don’t forget to stop and register. Prizes will be awarded to the most creative boats/floats. Celebrate the holiday, join in the parade and maybe even win a prize. Once registration is complete the parade will begin at 1pm! We hope to have a new parade marshal to lead the parade in style! See you on the lake!

DATE: 4th of July Boat Parade

LOCATION: Cedar Beau Bay

TIME: 12:30 PM Registration 1 PM – Start

LLPOA ANNUAL MEETING NOTICE*By Deanne Darlene Impecoven*

You are cordially invited to participate in the Annual LLPOA Meeting. Due to Stevens County Phase 3 restrictions, the meeting location will be announced closer to the meeting date to determine if the meeting will be held in person at the Old School House or on ZOOM. To be announced on: LoonLakePOA.org, Nextdoor, and Loon Lake Property Owners Association on Facebook.

We welcome you to join the conversation.

LLPOA MEMBERSHIP DUES

By Deanne Darlene Impecoven

To meet rising costs of events sponsored by the members of the LLPOA, the annual dues will change to \$50 per year effective the start of the fiscal year, June 1, 2021. This will be the first time the dues have been raised in the history of the LLPOA and it is time to take the step as everything we try to do is more expensive now and we would like to offer the community even more valuable services. Thank you for your continued generosity. Without the generosity of the members and new sponsors, there will be no fireworks, no dock demolition, no chipper days, no lake education, no water testing, no boat parade, and everything else that the members of the LLPOA provide to the community.

Dana Waddell

Pancake Feed

Silent Auction

ResidentSilver Beach – 10
Years**PANCAKE FEED FUNDRAISER***By Dana Waddell*

The annual pancake feed is tentatively scheduled for Sunday, September 5, 2021. We are still awaiting further guidance from the Governor to determine if we will be able to hold the event this year and to determine if the school will be available for the event.

We are looking for a volunteer to oversee the organization of the Pancake Feed. We will have many volunteers to help support the feed itself, but we need someone to chair the event. Please contact the Loon Lake Property Owners Association if you are interested in coordinating this important event.

**FIREWORKS FUNDRAISER***By Dana Waddell*

**LLPOA Fireworks
Fundraiser**

**Christmas Ornaments featuring
Loon Lake will be on sale by the Old
School House on June 5, 2021, from

Stephan Reckie

LAKE EDUCATION REPORT

By Stephan Reckie

Do you want to be a safer and more knowledgeable boater? Do you want to do your part as a member of our boating community? As a benefit of your LLPOA membership, you are invited to a free in-person socially distanced three-hour in-person Boating Safety Class, on Saturday, June 19, 2021, starting at 9 AM until

Noon at the Old Loon Lake Schoolhouse. Loon Lake Resident Captain Stephan Reckie, LLPOA Safety Board Member, will lead interactive discussions on these topics: Know your boat – PWC, Motorboat, Sailboat; Before you Get Underway on your Boat; Safely Operating your Boat; What to Do in Boating Emergencies; and a

brief overview of Washington State Boating regulations (please note that this class will not officially prepare you for the required Washington State Boating Education Card.) For more information and to confirm your attendance please email Stephan at sreckie@gmail.com.

Art by Jon Evavold

LOON LAKE WATER QUALITY UPDATE—EVERYONE MUST DO THEIR PART

By Jim Davies

We have a beautiful Lake that we all love but unless we continue to monitor and make some effort to preserve it it could, like so many lakes around the world, turn into a disaster and all the negative things that go with it. All of the things that the LLPOA recommends, including beach fire management; minimal use of fertilizers; careful disposal of yard debris (hooray for “Chipper Days”); no washing of boats and pets in the lake; control of runoff minimizing impervious surfaces: i.e.: roofs, roads, driveways, minimal use of concrete and asphalt, preservation and care for our precious wetlands will keep our lake clean and wonderful and may even make it better for our children and their children for years to come. Let’s all do our part.

WATER QUALITY TESTING

By Deanne Darlene Impecoven

I would like to offer a special thank you to the team that is performing the water quality testing throughout the year on Loon Lake. Jim and Dick Davies have been passing the water testing knowledge on to Aaron Impecoven and other board members who are anxious to work along side these knowledgeable veterans and carry on the testing in the future. Let us know if you have an interest in being a part of this.

By Deanne Darlene Impehoven

Loon Lake businesses are as integral a part of the community as the residents. The programs provided by the Loon Lake Property Owners Association are as valuable to the businesses as to the residents. Therefore, BUSINESSES, please consider becoming a sponsor of the LLPOA. Sponsorship provides membership as well as an ad in the newsletter & quick guide (size based on donation amount.) \$1,000 full page, \$500 1/2 page, \$250 1/4 page, \$125 1/8 page. (Based on sq. in. as ad shapes differ.)

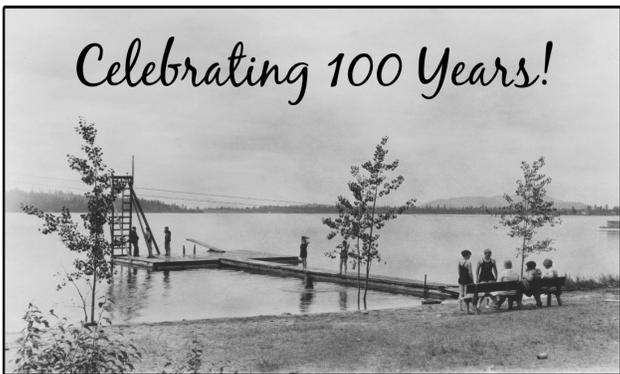

A special THANK YOU!!! to our first newsletter sponsors as shown on these three pages! And, thank you for becoming members of the association. Your generous donations to sponsor this newsletter have made it possible to keep the membership dollars allocated for all of the very important events! Please give THESE generous BUSINESSES YOUR generous BUSINESS! You are rock stars at Loon Lake!
